Aims and learning outcomes

- The aim of this programme is to understand the essential elements of commissioning and purchasing, and to share knowledge and compare practice.
- By the end of the training participants will:
  - Demonstrate in-depth knowledge of the national agenda for commissioning
  - Analyse own organisation's commissioning arrangements against good practice
  - Use evidence-informed learning to implement good commissioning practice
  - Critically reflect on own learning and practice

Working online – hints and tips

Everyone enters on mute. Mostly stay on mute so we are not all talking at once

Use the chat to ask questions and make comments. This will be a dynamic learning experience

Turn on your video camera, please!

Unless you have a shaky connection! In that case, switch off your video

You will be going into breakout rooms, be prepared to be in rooms with 6 - 8 people

Raise your hand or click the hands up symbol if you want to speak in discussions

Be on time for breaks

Commissioning in Covid-19

- **Think of one word that describes how Covid-19 has impacted on how you're undertaking your commissioning role and responsibilities**

- **Type the word into the 'chat' function.**

© Institute of Public Care

Group discussion…

With reference to the words in 'chat':

- **What opportunities has C-19 given you in commissioning to do things differently?**
- **What have been some of the challenges?**
