Dear Mr. Bellow,

Please find enclosed Hans Feet In Love by William Sansom and Mrs. Palfrey at the Claremont by Elizabeth Taylor submitted by The Hogarth Press and Chatto & Windus. Both books have been called in by Malcolm Muggeridge and, in fact, are now submitted as official entries. We expect two further books to be submitted as official entries within a week. Also enclosed is Rupert Hart-Davis's entry Clancy by Frederic Mullally.

Yours sincerely,

Marilyn Edwards
