1969 CHARITABLE TRUST

On 10th April I sent you a memorandum requesting two cheques to be drawn against the 1969 Charitable Trust, one payable to the National Book League for £269.91 and the other payable to Booker McConnell for £34.69. These cheques are in respect of the 1973 Booker Prize and I would like to settle all outstanding matters in connection with last year's Prize as soon as possible.
