Welcome back!

Module 3

## Some basics

# Working online – hints / tips

Everyone enters on mute. Mostly stay on mute so we are not all talking at once

Use the chat to ask questions and make comments. This will be a dynamic learning experience

Turn on your video camera, please!  
Unless you have a shaky connection! In that case, switch off your video

You will be going into breakout rooms, be prepared to be in rooms with 6 - 8 people

Raise your hand or click the hands up symbol if you want to speak in discussions

Be on time for breaks

# Our learning space

- Be present
- Share information and experience
- Be open to new ideas and learning
- Be responsible for learning
- Seek out opportunities
- Confidentiality within the room

# Assignment task

Submit a written assignment which explains and reflects upon a commissioning or purchasing project that you have undertaken. The rationale for the work must be clearly set out in the context of national policy and best practice, and draws on a critical analysis of the current commissioning and purchasing arrangements in your local organisation or service.

Supporting information will be expected that gives evidence of the project activities and implementation of good commissioning or purchasing practice. The project must have been accepted by your line manager as appropriate to the needs of your organisation, and have been undertaken during the course.

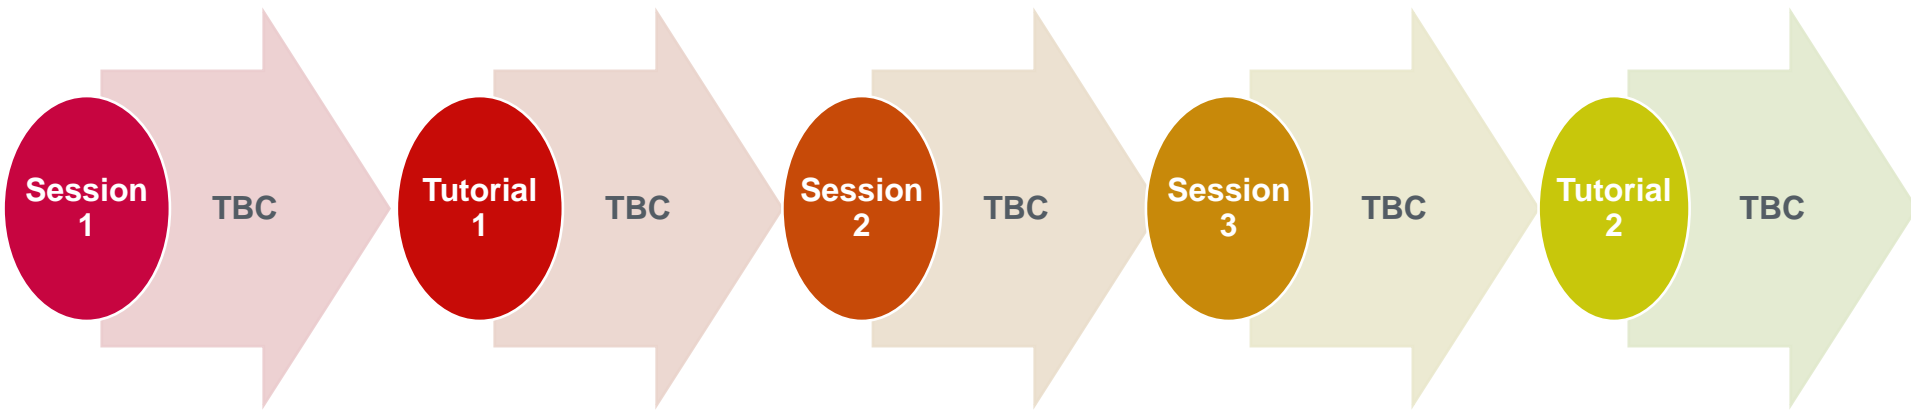

Minimum of 4,000 words and a maximum of 5,000 words.

## Example projects

- Development of a commissioning strategy
- A review of contract monitoring and development of a reviewing framework
- A risk assessment and option appraisal for a poorly performing service
- Development of a service specification
- An investigation into swifter tendering options and development of an approved provider list
- Remodelling a service to achieve better outcomes
- Joint commissioning of a community service
