Dear Mr Sinclair Stevenson,

Booker Prize 1972

Thank you for your very prompt reply of 21 April to our circular.

I am writing simply to confirm that we do not need finished copies: proof copies as soon as they are ready are quite acceptable. Needless to say, the sooner we receive copies of your entries the better this will be from the Judges' point of view and I look forward to receiving them as soon as they are ready.

Yours sincerely,

Marilyn Edwards
