Dear Marilyn,

How very kind of  
you to write; I greatly  
appreciated your letter.

One of the best bits  
of fun in Bookers Books  
has been the 'Bookers Prize'  
- largely thanks to Jid  
and now Marilyn.

I have a wonderful  
feeling that this year  
will see the real establishment  
of the Prize as part of  
the British scene. I know  
you have luck and you  
certainly have the best of  
my good wishes

Again many thanks for  
everything

Yours ever

Charles
