

LIBRARYSEARCH

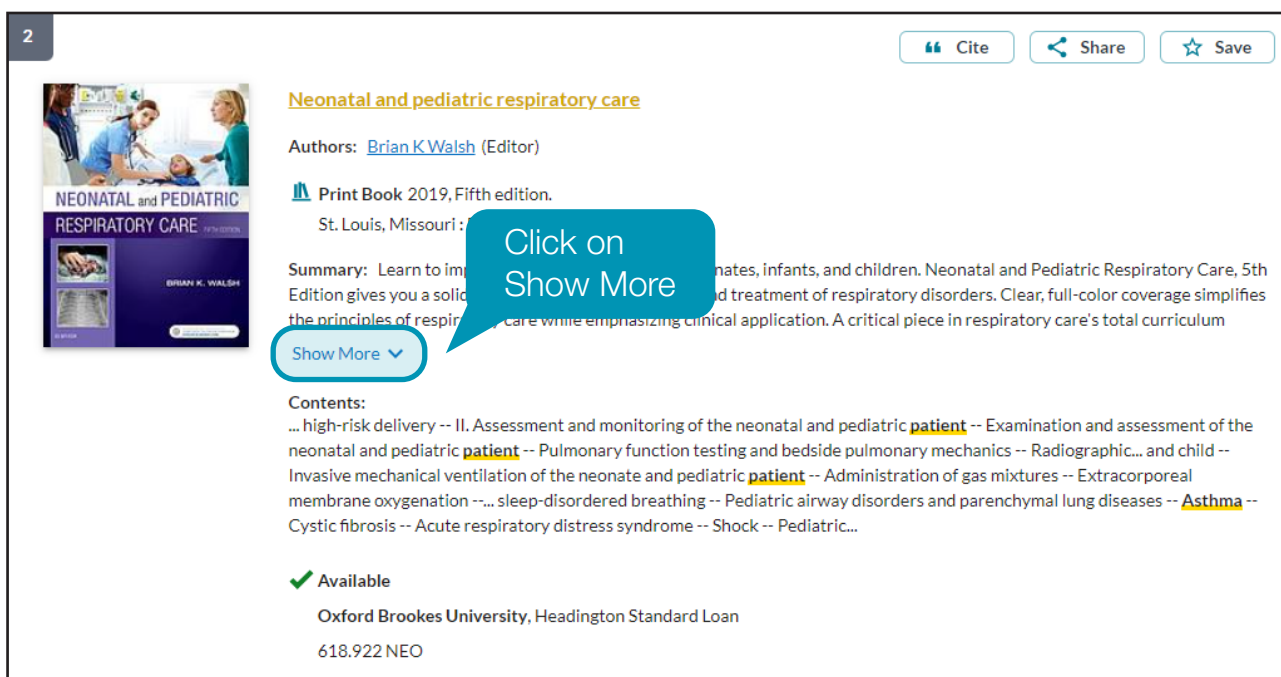

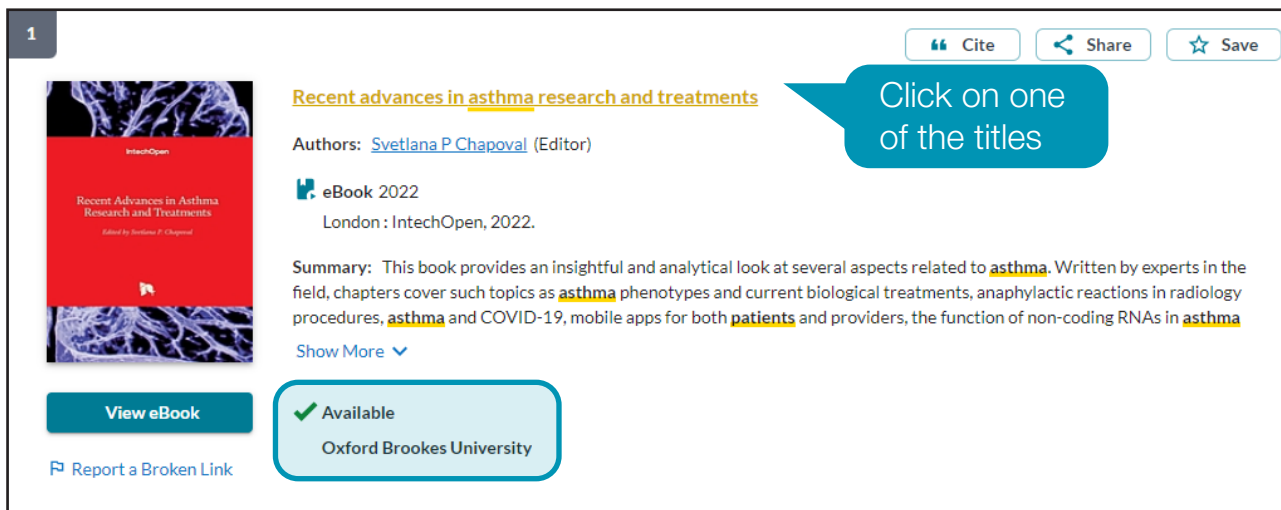

Using **LIBRARYSEARCH** to find a book or e-book on a specific subject

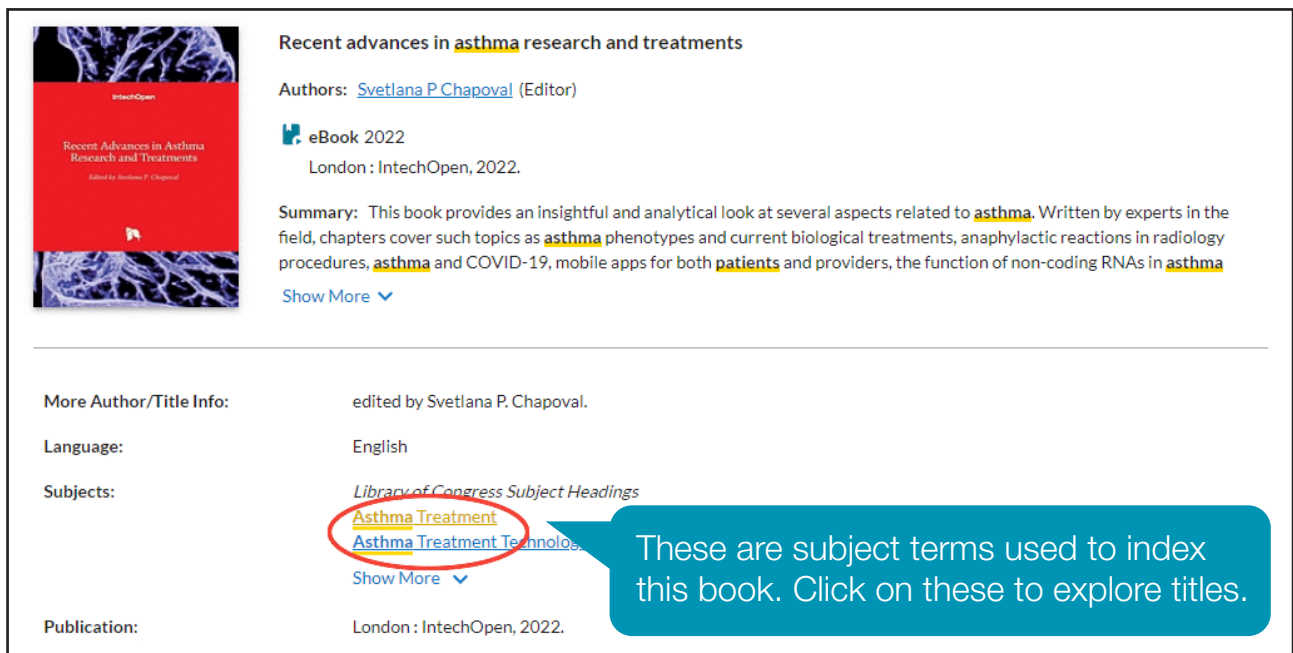

From the **library home page** click on the **Books** tab. Type in subject keywords in the search box (e.g. asthma patients) and click Search.

Your results should retrieve subject relevant titles. Click on one of the book title links.

The book or ebook may have some subject headings. Click on any of these to find other resources on the same subject.
