

NOTE FOR JNM FROM JNWH

Booker Prize

Marilyn is holding two invoices unpaid.

1.	800 posters of short list plus the book bands for	£240. 0. 0d.
2.	350 posters of winning book	for £188.10. 0d.
		<hr/>
		428.10. 0d.

She had done nothing about collecting the money from the publishers but they had been told that they would not have to subscribe more than £40 each and I told her to go ahead and get the £240 from the publishers (which means that Chatto will have to contribute £80 as they had two books in the short list).

This means that we are £188.10. 0d. short. The bills are outstanding in the name of the P.A. Marilyn queried the ~~second~~ /as being extremely /first high as compared with the second bill but they had said that it was in order because the posters were bigger and the colour processing. JNWH told her to pay the bills but did not give any undertaking that Bookers would make up the short fall.
