Dr. George Steiner

Dear Dr. Steiner,

It was an enormous pleasure for me to meet you and your fire at the Booker Meeting and I look forward with temerity to Tuesday! I confirm that it is mid-day on 11th floor Bucklersbury House 83 Cannon Street, London E.C. 4. 248 8051.

Cyril Connolly has suggested that the judges might feel it worth considering nominating one book each over the three unanimous titles, which might then bring the shortlist up to six, and has suggested that I make this point to you and Miss Bowen.

I am placing my bets now.

Best wishes,

Yours,

Marilyn Edwards
