

Following on from the success of the GCC Workplace Challenge the LR Communications team thought a series of walks would be a good continuation of the theme.

LUNCHTIME WALKS

The 40 minute Jaunt

John Henry Brookes Building - Roosevelt Drive - Cheney Field

Route is fairly flat, can be a bit muddy (especially along Cuckoo Lane).
Full walk 2.07 miles (3.33 km)

Starting with the **JHB** building behind you

1. Cross **Headington Road** using pedestrian crossing. Turn left towards HHH
2. Take the next right and head down **Pullens Lane**
3. Turn right onto **Cuckoo Lane** and follow this until you reach **Woodlands Road**
4. Turn right onto **Headley Way** and head towards the White Horse Pub
5. Cross over the A420 at the lights and bear slightly right onto **Valentia Road**
6. Turn left onto **Old Road** and cross over almost immediately
7. Follow the 'footpath sign' down through some railings into a little wooded area to emerge onto **Mileway Gardens**
8. Follow this until you reach what looks like a dead end, where you turn right and cross over **Roosevelt Drive**
9. Stay on this road until you reach the traffic lights and then turn left onto **Warneford Lane**
10. Follow this almost to the end but cross over just before the roundabout (there is a gravel track across the central reservation)
11. You can either take the path through the gateway in front of you across the top end of **South Park** or (11a) you can turn right back along the other side of **Warneford Lane** and then turn left into **Cheney Lane**
12. At the gateway either continue straight ahead (if you have come through the park) or turn right to cross **Cheney Lane** and then follow the path across **Cheney Playing Field** until you reach the back of the **JHB** building

With thanks to Abi Ball who walked the routes, took the photos and put the directions together
