Dear Mr. Monteith,

The Booker Prize

In connection with the Booker Prize, we should be very grateful if you could supply us with a number of copies of the winning novel which we intend to have displayed in our various stores throughout the Commonwealth.

To start with, could you let us have three parcels of twelve books each. It may well be that we shall come back to you for more copies as we find out more details about requirements.

For your information, we shall be sending the first two parcels to Guyana and Trinidad, where they will be displayed in Bookers Universal Stores (Guyana) and Stephens, Todd & Fogarty (Trinidad).

We are making arrangements to ensure that secrecy is maintained until the date of the announcement of the award.

Yours sincerely,

(J. N. Murphy)
