

October 6th, 1971

Lady Antonia Fraser,

Dear Antonia,

Thank you for your letter which I, of course, circulated to those who had not received it.

This is just a note to say that because of the various technical holdups, the date of the announcement of the short list and the date of the winner have been put off until 15th October and 25th November, respectively. Naturally, your presence is very much wanted at the dinner on 25th November, and I would be very grateful to know if this date would be inconvenient for you and your husband, in which case I would hope that it could be altered.

Best wishes.

Yours ever,

Marilyn Edwards
