Dear Marilyn

Herewith my first go at the revised Booker Prize guest list, showing the position where wives are included and where they are not. The only exception to the wives rule is under miscellaneous general, where I have assumed that we would not invite wives anyway.

I have not shown this to any other members of the committee and will not do so until I have your first reactions.

Perhaps we can discuss it. As you know we are anxious this year to keep the guest list to 100.

Yours sincerely

Peter Smith
