Dear John,

Welcome back! you seem to have been away for ages. I guess there is probably not anything that I can add to the Muggeridge drama that you have not already gleaned from Mike and George, but it did seem to go on at the time! And on that, I will send copies of the presscuttings through to you tomorrow. Peter probably has the national cuttings, but some provincial ones have now come in.

I wondered if it might be useful to have an Agenda for the meeting on Tuesday morning, as it starts late. I therefore enclose a rough draft which I have also copied to Rayner. Would you let me know if there is anything you would like added or taken off. I suggested to Rayner that he might Chair this meeting, as the PA hasn't for the last few meetings, but I rather think he will prefer to keep it informal if you agree . . .

I look forward very much to seeing you on Tuesday.
Best wishes,

Yours,

*Actually, looking at the Agenda again, perhaps we ought to discuss where the judges should meet, as it is fairly important - unless you would rather we sorted that out simply between us?
