TUESDAY 29th JULY

Mr. Longman's secretary rang and said that Mr. Longman went away on holiday last Saturday, 26th July, for a fortnight returning to the office on Monday 11th August. He had hoped to get in touch with Lady Antonia Fraser before he went but was unable to get round to it. He asked his secretary to ring to find out if this could wait until his return. If not perhaps you could give her a ring and between you arrange for someone else to ask her. 499 7911.
