Lady Antonia Fraser,  
52 Campden Hill Square,  
London W.8.

Dear Lady Antonia,

Thank you for your letter of 3 December. This is just a brief note to let you have further comments from two of the judges, and also an up to date table of books and comments.

The second meeting is now fixed more or less firmly for Sunday 22 February. I look forward to seeing you on 9 January.

Hap y Christmas!

Yours,
