Dear Dame Rebecca,

Again I would like to thank you very much for being a marvellous judge. I am sorry the press have taken the attitudes they have in certain instances but I am sure that you, ~~wi~~ judges are right and they are wrong.

I am very sorry that you no longer wish to be a judge and because you have been the most invaluable and important influence on the panel for two years, and it is difficult to imagine it without you, but I do understand you reasons and respect them.

It has been marvellous to meet you and to know you and I hope we may meet again soon.

Yours ever,

Marilyn edwards
