Dear Marilyn,

Just thought you should know that Jo Mennell, who is the new editor of 'This Week' is a cousin of my wife's and I know him pretty well and it is possible that he might just run a thing about the Booker Prize. I vaguely mentioned the thought to him the other day and he said of course, of course, but this does not mean anything. But I do suggest that you try him and absolutely mention my name. Let me know how you get on.

Yours sincerely,

(J. N. Murphy)
