

## BOOKER GROUP INTERNAL MEMORANDUM

From JNM

To CWT

Date 10th February, 1969.

Peter du Sautoy rang me late on Friday to say that Mr. Morpurgo of the International Book League was unwilling to approach the Duke of Edinburgh on our behalf, because he said the Duke did not like doing things connected with commercial enterprise. He added, in any case, that the Duke would be away for some time in April.

I said that it might be worth having a bash via Peter Parker at the Duke of Edinburgh. Peter du Sautoy agreed, but we thought that failing him, we ought to go for Jenkins or MacMillan. I said that we would come back to him as soon as we heard anything from PP.
