Dear Jan,

Thanks for your divine letter about Booker. I really am beginning to get bored with my own voice on all this but here goes.....

If you could let me see a copy of the design you did in 1969, which you liked most, I could have an unofficial meeting with my contact at Booker to sell it to him:which he is more likely to push through than if you presented them formally. There is no deadline as such, but it is rather a case of striking while the iron is hot so the sooner you can get your hands on the design the better.

Love.

Yours,

Marilyn Edwards
