Philip Toynbee, Esq.

Dear Mr. Toynbee,

Enclosed is your copy of John Fowles letter regarding V.S. Naipaul's INAA FREE STATE which he has written as an explanation of why he feels he cannot support the statement issued by John Gross.

Whether or not this will have any effect on what was considered to be the final decision of 20 September remains a question at this point. Whatever happens you will be immediately informed.

Yours sincerely,

Elaine Purcell
