## Finding e-books in Brookes library
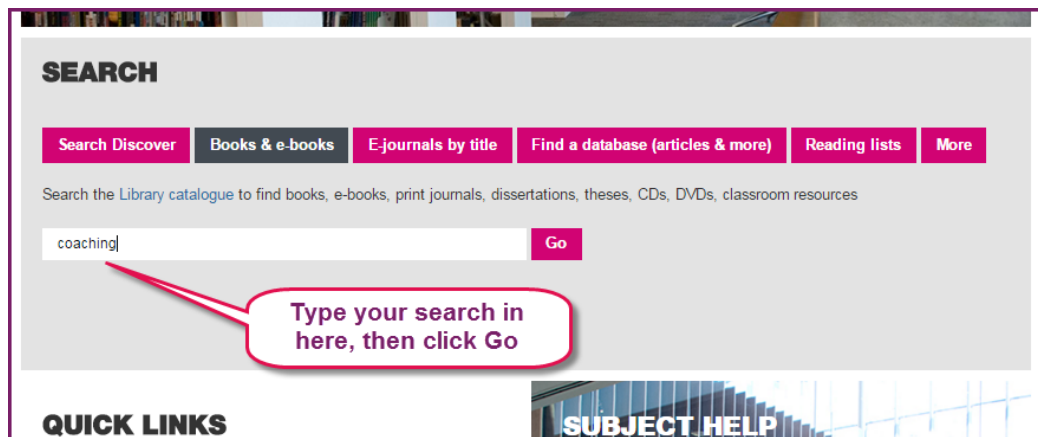

This guide shows you how to find and read e-books through Brookes library.

1   Go to the library home page at www.brookes.ac.uk/library

Look for the main search box in the middle of the page and click on the **Books & e-books** tab.

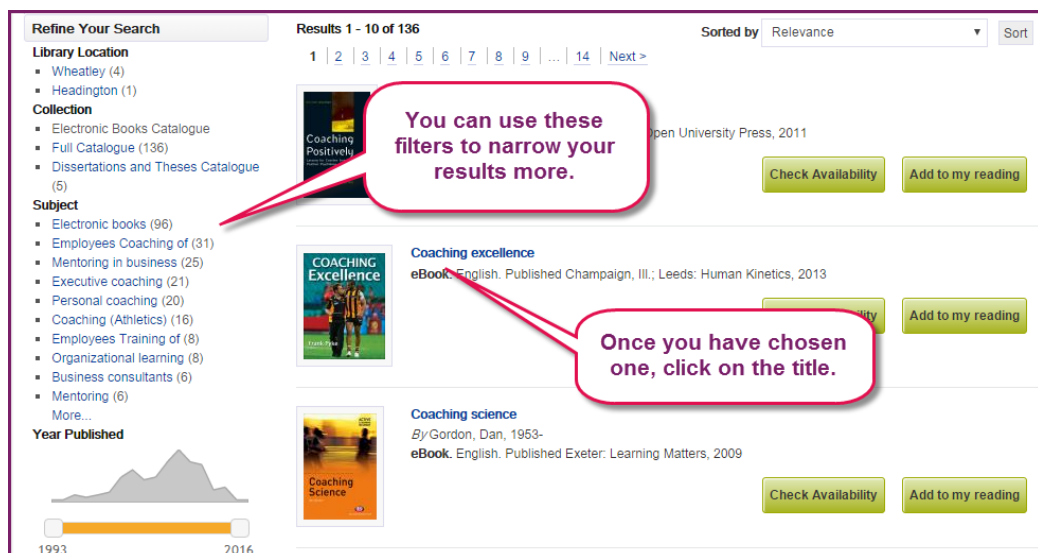

2   Type your search into the box and click **Go**.
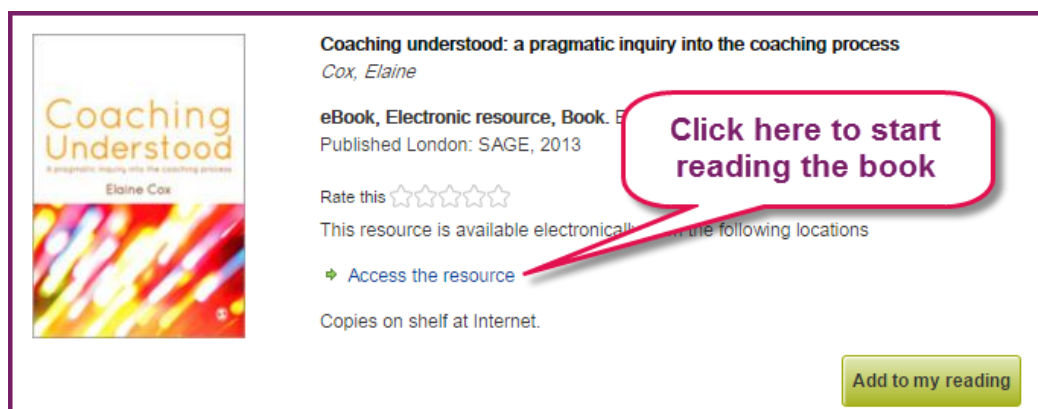

3   Your search results will appear, including books, e-books, journals etc. To see only the e-books, click on **Electronic Books Catalogue**.

4   You can use the filters on the left of the screen to narrow your results by year published or subject. Once you have chosen a book to read, click on the title.

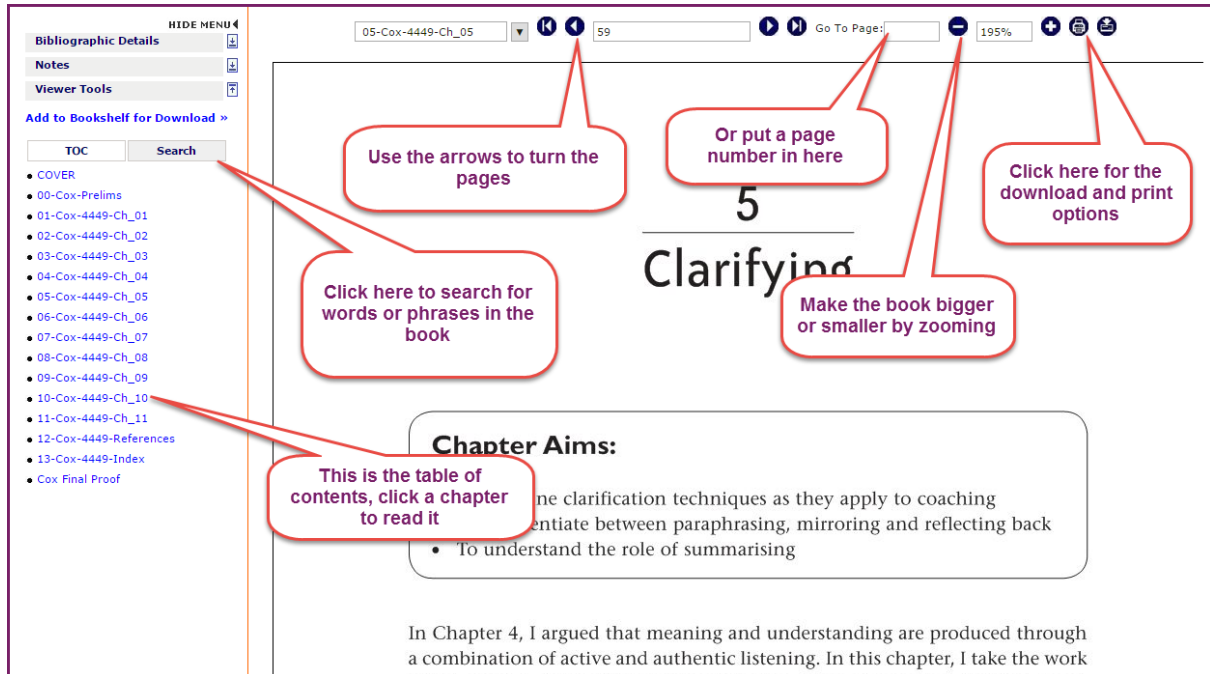

5   Click **Access the resource** to start reading the book.

6   E-books can look different from each other, depending on which platform they are on. Below are some screenshots to help you find your way around the different platforms.
