Dear Rayner,

I hate to do this to you but could you please glance through the Booker Minutes? I feel that item 3a is rather long, but think that Booker-McConnell would wish their statement to be fully minuted.

Haven't had any come-back from Pritchett or McCarthy yet.

I have now written round to all the other organizations concerned with literary prizes under my NBL hat and await a come-back on that.

Very happy new year.

Yours,

Marilyn Edwards
