1969 CHARITABLE TRUST

Expenses incurred by the National Book League payable out of the Charitable Trust in connection with the 1973 Booker Prize amount to £304.60. I attach a copy of the account submitted by the National Book League.

Could you let me have two cheques, one payable to The National Book League for £269.91 and the other payable to Booker McConnell Ltd. for £34.69. The amount due to Booker McConnell has arisen because I gave the National Book League a £250 float last year and a small refund is due which I have set off against the amount due from the Charitable Trust.
