BOOKER
INTERNAL
MEMORANDUM

Our solicitors have now advised that it will be in order to divert John Fowles' judge's fee in connection with the 1971 Booker Prize to the Royal Society for the Protection of Birds. A copy of their letter of 22 August is enclosed and I think the note of 24 July from Jonathan Cape is adequate authority for us to take this step.

I now enclose the cheque for £250 in favour of the Society.
