Dear Tom,

Owing to lack of availability at the Cafe Royal,  
and the wish to tie up with the Guardian, the date  
of the Booker dinner will now be Wednesday,  
28 November not Wednesday 21 November. If you can  
think of any crucial reason why this would not be a  
suitable night please let me know immediately.

TOM: I do hope this isn't going to make life  
impossible vis-a-vis Noel Coward of whose health I  
have heard some grave murmurings from the direction  
of Heinemann.

Yours,

Marilyn Edwards
