Dear Jan

Booker Prize Trophy

Thank you so much for submitting the 1969 designs for the Trophy. I duly forwarded them to the Booker Prize Directors who have now come back quite determined that they want to have the original trophy scaled down. When I approached you earlier you were rather doubtful as to how easily this could be done: would it be possible for you to draw up a design which would be similar but would be only 10" high? Or, if this is really not possible, may we have your permission to attempt to get it scaled down elsewhere? I am so sorry to have to come back to you and again thanks for submitting the designs which I now return.

Best wishes.

Yours sincerely,

Marilyn Edwards
