Dear Tom,

Thank you so much for your letter of 19 October enclosing the list of Smiths' Branches for our short list and winner posters. I am very sorry if you had done this already but I am afraid the list never reached me and I am extremely grateful to you for taking on the task again.

I have much pleasure in enclosing three copies of the short list press release and as soon as I know the winner I will let you know.

Very best wishes.

Yours sincerely,

Marilyn Edwards
