

Appendix 1

Domain	Potential Questions
Attitudes	What are you/I feeling? What values might be at play here? What is unspoken here? What were you thinking? What was your intent?
Behaviours	What did you/they do? How did you approach the issue? What did you see/observe/hear? What were stated aims for the engagement? What patterns do you notice?
Context	What is happening in the wider context for you/your client? How does this case compare with others? How might your circumstances be affecting this? What else do you know about the environment?
Dynamics	How would you describe the relationship? How might they see you? If you and the coachee were cast off on a desert island, what would happen? What might be influencing the reactions? What shift is needed? What parallel process might be at play?
