

Make your own Watering Bottle

Required resources

- A 1- or 2-pint plastic milk bottle
- A tool with a sharp point – bradawl/skewer or similar
- Adult help
- Stickers or acrylic paint to decorate

Instructions

- 1) Remove the lid from the bottle and taking care make several large holes in the lid.
- 2) Decorate the bottle as required.
- 3) When the decoration is dry, fill the bottle with water and replace the lid.

Your Watering Bottle is ready to use.
