What does it take? challenge stamps

www.brookes.ac.uk/science-bazaar

Saturday 3 February 2024

9:30am – 11:30am
relaxed autism-friendly early opening

11:30am – 4pm open to all

Oxford Brookes, Headington Campus
Gypsy Lane, Headington, OX3 0BP

Hello & Welcome!

We hope that you enjoy your visit to Science Bazaar Beyond and have a fun-packed day! The theme of this year’s Science Bazaar is “**Curiosity**” and with over 50 exciting activities to explore there is plenty to get curious about!

- Happy and Healthy
- Life Factory
- Mind Your Brain
- Tech Zone
- Discovery Zone

Our top picks: visit our LEGO activities, sign up for a comic book workshop with Neill Cameron, learn coding with Beyond Blocks, visit the stars in the planetarium, or get fired up about science with an all action show: Energy Live!

Don’t forget: to say hello to our mascot, Brooky!

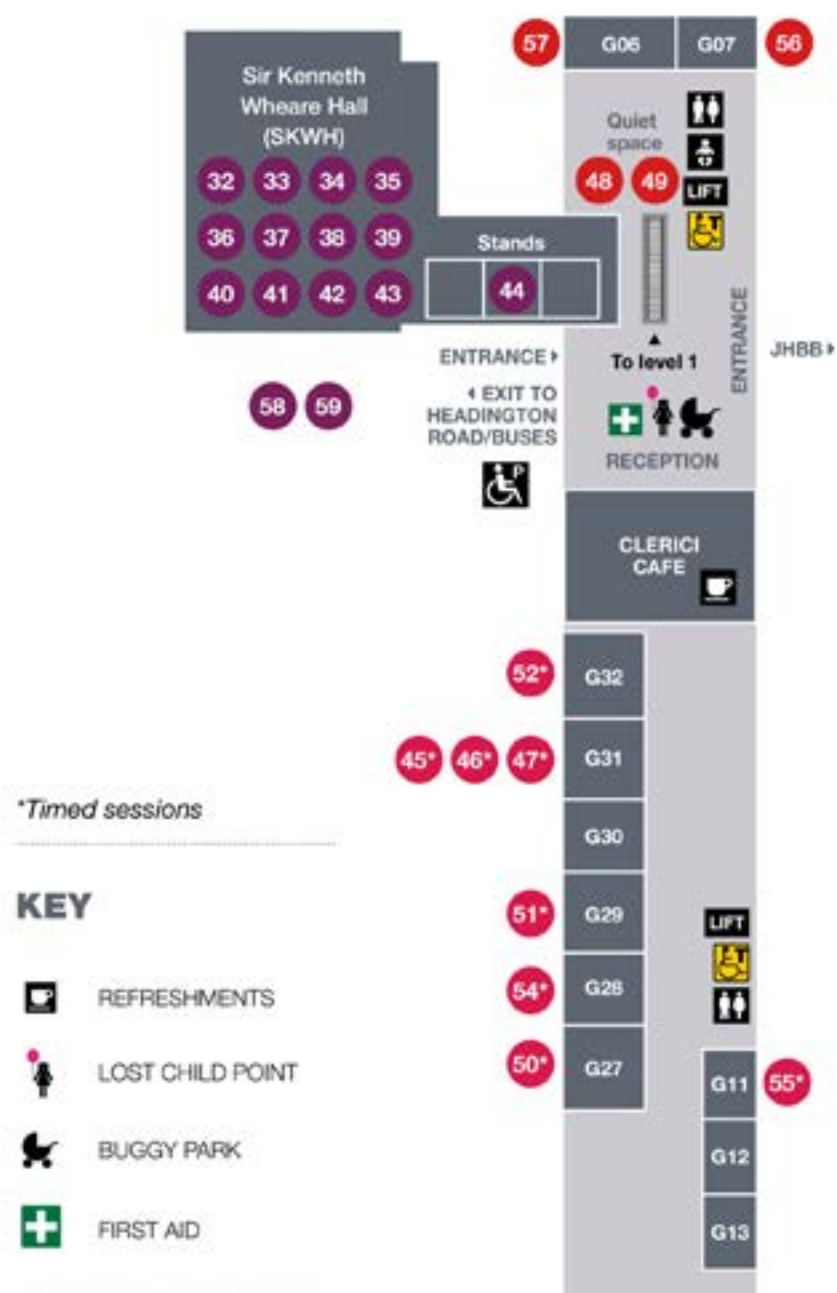

Look out for: our “What does it take?” challenge rooms! Complete the challenges and collect your stamps to win a prize!

Timed Sessions

	Activity	Times	Location
45	Caterpillar Heroics In a dangerous world where all sorts of creatures want to eat them, how do they defend themselves?	1) 10:30-11:30 2) 12:00-13:00	CLC.G.31
