Click on **TESCO PLC** and a company overview is displayed, which gives you an instant review of the company's financial situation and other background information.

Next, scroll down to the **Price and Volume** section and you will see a report on Tesco's daily share price for the last year compared to the default market index ASX-FT (UK FTSE ALL SHARE).

To change the display or to compare Tesco with other companies, click on **Advanced Charting** and you will see this screen:

6

5

Under **Time Period** change the period of the graph to **10 years**, and the frequency to **Monthly**. Then under **Compare To:** enter the Quote Symbols, **SBRY-LN**, for **Sainsbury (J) PLC**, **MRW-LN**, for **Morrison (Wm) Supermarkets PLC** in the **Symbol(s)** search box, separated by a semicolon. If you know the Quote Symbols for other supermarket retailers you can add these. Otherwise, enter a company name in the search box to find the Quote Symbol. Also, select **FTSE 100** from the drop down list under **Index**. Click on **Go** to redraw the graph.

7 Click on the **View Data** tab above the chart to obtain the table of data used to produce the graph. See question 1 below. Before moving on, however, note that there is an **X** Excel symbol above the chart if you want to download the data into Excel.

Next click the **Overviews** tab at the top of the screen, then **Company Overview** under the Company Views tab at the top of the screen. Click the **Full Summary** link in the Financial Summary box on the left hand side. This displays key financial items (balance sheet, income statement, cash flow statement and key ratios) for the past 5 years.
