The screenshot shows the RADAR website interface. At the top left is the Oxford Brookes University logo. On the top right, it says "Logged in as publicuser" with a lock icon and a "log out" link. A navigation menu on the left includes "Home" with sub-links for RADAR Home, Research archive, Teaching collection, Open Educational Resources, and Special collections. Below this is a "Search ALL" section with a text input field and a "GO" button. Further down is an "About RADAR" section with links for Project webpage, FAQs, Policies, Harvesting (OAI-PMH), and Contact us. The main content area features a "WELCOME TO RADAR" message, a "5000 resources including" summary (1370 research items, 530 photos, 250 Olympics resources), a "Latest additions" list, and a "Teaching collection" section with a diagram of a cell membrane and a "substrate" label.
