

How to use Fame and Orbis

Fame and **Orbis** are very similar databases so the instructions on this sheet will work in either database. You should use Fame when you are looking at UK and Irish companies, use Orbis when you want to look at companies from anywhere else in the world.

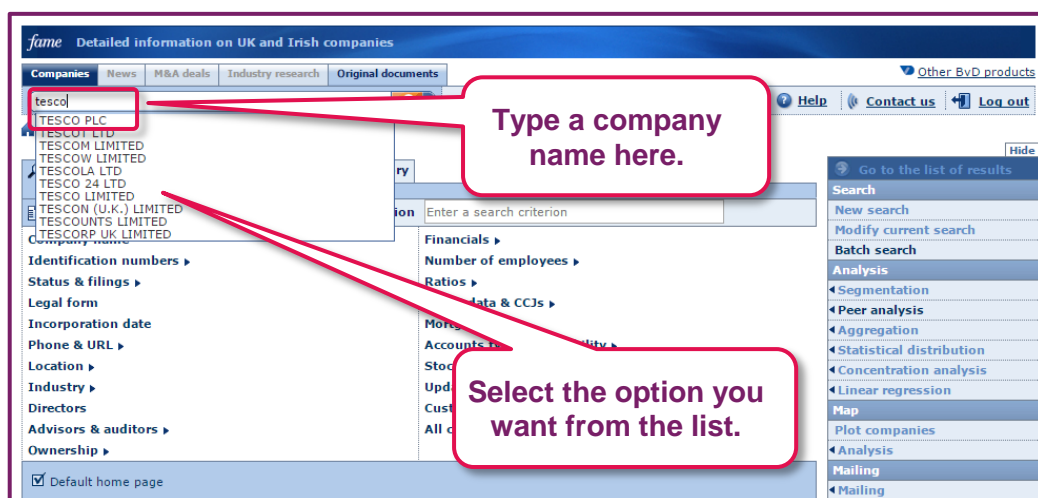

Fame and Orbis contain accounts and other detailed financial information for UK and international companies, it is a very important database for accounting students, and contains useful information for all business students.

Connect to Fame or Orbis through the [moodle database course](#) or the [library website](#).

When you open Fame or Orbis, you will see this screen:

You can search by company name or registration number by entering the details in the main search box. Enter **tesco** in the search box and select Tesco PLC from the list of companies displayed.
