

Diary prompts: research method

Please speak/record for between 5 and 10 minutes per day

Each day participating learners were asked to speak about what study they had done and what technology they had used that day. In addition they were asked one unique question for that day.

1. Technology you enjoy

Do you enjoy using technology for learning or leisure? Tell us about what you have used for enjoyment this week.

2. Difficulties with technology

Do you have any difficulties using technology in every day life and in your studying? Tell us about any you have experienced this week.

3. Social networks

Have you used any social network technologies this week eg MySpace, Facebook, YouTube. Flickr? How do you use them?

4. Support to improve your learning

How could your lecturers use technology to improve your learning? What tricks are they missing or what ideas could they use?

5. Inspiring learning?

What was the most enlightening thing you did in your studies this week? Did anything inspire you in learning?

6. Wild card:

Now make up a prompt for day 6.
