Dear John,

Welcome back - I hope! I am terribly sorry to hear you have been so ill and just hope that you are not feeling too palely loitering and weak at the moment, because these things can really take it out of you.

Realizing that you are going to be absolutely hectic, may I ask you to ring me as soon as you can, rather than me pestering you. I will be here all next week with the exception of Tuesday.

Love,
