

I wish we had neighbours like

everybody **needs**
good *Neighbours*

Wassa matter
Dave?

That bloke from
next door woke
me up using his
lawnmower...

everybody **needs**
good *Neighbours*

Wassa
matter
Dave?

I came out
for a quiet
smoke and
she's
listening to
bloody
Wogan again

everybody **needs**

I dunno,
I'm being
as quiet
as I can...

Wassa
matter
Dave?

Wassa matter Dave?

I forgot to
put the bin
out again

Wassa
matter
Dave?

I can't
hear
what
she's
saying

screams squeals
